

Gainfield Elementary School 2019 Valentine's Day Carnation Sale

Send a flower to your child, a favorite teacher or staff member!

The Gainfield Elementary School PTO invites you to participate in the 2019 *Valentine's Day Carnation Sale*. Send a loving message while supporting the GES PTO!

How it works: A carnation or bunch of carnations with a personal message will be delivered to GES students, teachers and/or staff in school on or before Valentine's Day. Parents, grandparents, siblings and other family members are welcome to send carnations. Your GES student can send carnations to GES siblings, teachers and staff, but *not* to other GES friends.

Cost: Single, wrapped carnations: \$2. Bunch of carnations (3 flowers), wrapped: \$5. (Bunches cannot be split.)

Directions: Complete the attached form AND message tags. The tags will be affixed to the carnations. To ensure proper delivery, make sure all information is clear and legible and that all required forms are filled out completely. Cut out the completed tags and place them in an envelope labeled "Flower Sale" along with the order form below and payment. **Make checks payable to GES PTO.**

Due Date: Please return your child's order form, tags and money to his/her teacher by **Thursday, January 31st**.

Questions? Contact Doreen Gray: doreen_s_gray@yahoo.com

Thank you so much for your support of the Gainfield Elementary PTO!
